To Whom It May Concern:

Please accept this Letter of Recommendation on behalf of KBT Contracting Corp.

KBT has successfully completed several projects on the Jacksonville University Campus, the Strom Amphitheater, Wilma's Little People's School (Early Child Development Center) and the President's House.

All of the above mentioned projects were completed on time and within the allotted budget. The quality of the work and craftsmanship of the staff was excellent.

I can recommend KBT for any project of similar size and scope without any reservations.

Sincerely,

Michael J. Boblin

Executive Director of Campus Services
